

Thank you for considering Highbar to host your upcoming event.

Acclaimed Michelin-Star Chef Geoffrey Zakarian's epic menu will provide a unique and exciting experience for you and your guests. Our warm and inviting atmosphere compliments the distinctive menu which features casual, contemporary American fare made with freshest ingredients South Beach has to offer.

Highbar is able to accommodate small groups, as well as up to 300 guests. The sleek 70's inspired rooftop lounge is flanked by the historic Versace Mansion and features a custom infinity pool with incredible views of the Atlantic. By day, the rooftop space is the perfect place to lie in a chaise lounge chair, soak up the sun, and cool down in the pool. At sunset, the lounge transforms into a unique refuge for nightlife revelers featuring bottle service and private cabanas, perfect for a night of drinking under the stars.

Thank you for the opportunity, and we hope to work with you in the near future.
